DIAMOND & JEWELLERY AUDIO TOUR IN ANTWERP

Did you know that natural diamonds are older than dinosaurs? And that every diamond passes through Antwerp at least once? Antwerp has been the world center of diamonds for more than 575 years. There are a lot of diamond and gem stories to discover in the city.

In this audio walk Helen Gallagher will take you on a quest to discover Antwerp's roots as a world city of diamonds. In the first part of this audio tour, you will explore the Historic Centre. Through the hidden stories of five centuries of diamonds in Antwerp, you will discover the rich history of the diamond trade and industry.

In the second part of this walk, you will visit the Diamond Square Mile, today's Diamond District. You'll be introduced to the world of grinding, negotiating, and trading the precious commodity.
